

Currimundi

Established Mechanical Workshop and Automotive Service Centre - Sunshine Coast

A rare opportunity to acquire an established mechanical workshop and automotive service centre on the Sunshine Coast, operating from a prominent Currimundi location and supported by the systems, recognition and market presence of a well-known national automotive brand.

This established automotive business offers an incoming owner the opportunity to step into an operating workshop with an experienced team, established customer base, fully equipped premises and multiple automotive service revenue streams already in place.

Located in Currimundi on Queensland's Sunshine Coast, the business services an established local catchment and benefits from a prominent position with strong passing traffic.

Established Sunshine Coast Automotive Business

The automotive service centre provides a comprehensive range of vehicle servicing and mechanical repair services, including:

- Mechanical servicing and repairs
- Logbook servicing
- Brakes
- Tyres and wheels
- Wheel alignment
- Suspension
- Air conditioning
- Vehicle inspections

The broad service offering provides multiple revenue streams and reduces reliance on any single category of workshop activity.

Key Business Features

- Established Sunshine Coast mechanical workshop
- Prominent Currimundi location
- Recognised national automotive brand
- Experienced workshop team already in place
- Established and repeat customer base
- Fully equipped automotive workshop
- Multiple automotive service revenue streams
- Proven operating systems and processes
- Lease arrangements and renewal options in place
- Strong local market presence
- Opportunity to further develop fleet servicing and workshop utilisation
- Further scope for targeted local and digital marketing

Suitable for an Owner-Operator or Automotive Group

This opportunity may particularly suit:

- An experienced mechanic wanting to own an established business
- An automotive industry operator looking to expand
- An existing mechanical or automotive group seeking a Sunshine Coast location
- A buyer wanting an established workshop rather than developing a new operation from the ground up

With premises, equipment, people, customers and operating systems already established, an incoming owner can acquire a functioning automotive service centre with the infrastructure required to continue operating from settlement.

Growth Opportunities

There remains scope for an incoming owner to further develop the business through increased workshop utilisation, fleet servicing relationships, local-area marketing and continued development of the existing customer base.

The Sunshine Coast provides a substantial market for automotive servicing and mechanical repairs, and the Currimundi location places the business within an established residential and commercial catchment.
